## Interest Charged

**Total Interest Charged for this Period** **$0.00**

**About Trailing Interest**
Interest may be reflected on your next statement even if you pay the new balance in full and on time and make no new charges. This is called "trailing interest". Trailing interest is the interest charged when, for example, you didn't pay your previous balance in full. When that happens, we charge interest from the first day of the billing period until we receive your payment in full. You can avoid paying interest on purchases by paying your balance in full (or if you have a Plan balance, by paying your Adjusted Balance on your billing statement) by the due date each month. Please refer to the "When we charge interest" sub-section in your Card Member Agreement for details.

## Interest Charge Calculation

Your Annual Percentage Rate (APR) is the annual interest rate on your account. Variable APRs will not exceed 29.99%.
Days in Billing Period: 30

| Category | Transactions Dated From | Transactions Dated To | Annual Percentage Rate | Balance Subject to Interest Rate | Interest Charge |
|---|---|---|---|---|---|

## Information on Pay Over Time and Purchasing Options

**Your Card has no preset spending limit**
No preset spending limit means your spending limit is flexible. In fact, unlike a traditional credit card with a set limit, the amount you can spend adapts based on factors such as your purchase, payment, and credit history. If you're ever unsure if a large purchase will be approved, you can use the Check Spending Power tool in your online account or mobile app. Please note that in a small number of cases, we may assign a specific spending limit to a Card Member's account due to a variety of factors such as the Card Member's credit score, past due payments with us or other creditors, or high balances on revolving credit accounts.

**Pay Over Time Limit: $25,000.00**
The total of your Pay Over Time and/or Cash Advance balance and Plan balance cannot exceed your Pay Over Time Limit. No charge or portion of a charge during the billing period will be added to a Pay Over Time balance if it would cause the total of your Pay Over Time, Cash Advance, and Plan balances to go over your Pay Over Time Limit. Charges will be added to your Pay Over Time balance, subject to your Available Pay Over Time Limit, at time of transaction. A charge or portion of a charge may be later added, subject to your Available Pay Over Time Limit, on the Statement Closing Date. **This is not a spending limit.** We may approve or decline a charge regardless of whether your Card account balance exceeds or does not exceed your Pay Over Time Limit.

**Available Pay Over Time Limit**
Your Available Pay Over Time Limit is accurate as of your statement date. This Limit is the remaining amount that can be added to the total of your Pay Over Time, Cash Advance, and/or Plan balances. Remember that you can continue to create plans for purchases that are currently in your Pay Over Time balance even if you have reached your Pay Over Time Limit. Your total Cash Advance balance is subject to your Cash Advance Limit, which you can find in your Card Member Agreement. If you have a preset spending limit on your Account that is less than your Pay Over Time Limit, you may not be able to use your Available Pay Over Time Limit.

**Interest on Your Pay Over Time Balance(s)**
For charges added automatically to a Pay Over Time balance at the time they post to your account, we charge interest from the transaction date. For charges that we automatically move from your Pay In Full balance to your Pay Over Time balance on your Closing Date, we charge interest from the day after they are added to your Pay Over Time balance. We will not charge interest on charges automatically added to your Pay Over Time balances if you pay your Account Total New Balance by the Payment Due Date each month. If at the time you activate Pay Over Time, you're already carrying a Pay Over Time balance from your last billing period, we will charge interest on new eligible charges added to a Pay Over Time balance from the transaction date. However, for charges that we move from your Pay In Full balance to your Pay Over Time balance on your Closing Date, we will charge interest from the day after they are added to your Pay Over Time balance. We will begin charging interest on cash advances on the transaction date. You must pay in full, by the Payment Due Date, any charge or a portion of a charge that is not added to a Pay Over Time, Cash Advance, or Plan balance.

## IMPORTANT NOTICES

# Notice of Important Changes to Your Card Member Agreement

We are making changes to your American Express Card Member Agreement (Agreement) for the Account referenced in this notice. We encourage you to review this notice, share it with Additional Card Members on your Account, and file it for future reference. The detailed changes to your Agreement can be found at the end of this summary.

If you transfer to a new Card product with the same Account number, the changes below will remain in effect.

## Summary of Changes Effective February 1, 2027

We are making changes to the Pay Over Time feature. For Card Members with Pay Over Time on their Account, the feature will be permanently set to active and the option to change the setting will be removed. Here are some answers to questions you may have regarding this change:

**What does this mean for my Account?**

Starting on the effective date listed above, the Pay Over Time setting will be permanently set to Active, and any new charges will be automatically added to your Pay Over Time balance, up to your Pay Over Time Limit.

- If your Pay Over Time setting is set to inactive prior to the effective date listed above, you will have an additional payment option, the Minimum Payment Due, each month starting with your next billing statement after the effective date. You can choose each month to pay your Account Total New Balance in full, the Minimum Payment Due, or any amount in between.
- If your Pay Over Time setting is set to active prior to the effective date listed above, there will be no changes to your current payment options. You can still choose each month to pay your Account Total New Balance in full, the Minimum Payment Due, or any amount in between.

**What happens if I don't want this change?**

If you decide to cancel your Card Account as a result of this change, you will be eligible to receive a pro-rated refund of your Annual Fee. To receive a pro-rated refund, you must **call us at 1-855-865-1451 or call us collect at 1-336-291-1361 no later than 5:00 pm Eastern time on January 31, 2027**.

**What is the Minimum Payment Due?**

The Minimum Payment Due is the least amount you are required to pay by the Payment Due Date each month to keep your Account current and avoid late fees. However, just paying the Minimum Payment Due will result in interest and prolong the time it takes to pay off your balance. Paying the entire balance or more than the Minimum Payment Due will help pay off your balance faster and reduce interest charges.

**What happens if I have an existing Pay Over Time balance and my feature is set to inactive?**

If your Pay Over Time setting is set to inactive prior to the effective date listed above and you have an existing Pay Over Time balance, you will continue to incur interest on this balance. In addition, new charges added to your Pay Over Time balance on or after the effective date listed above will start incurring interest on the transaction date of these new charges. Consider paying your Statement Balance in full prior to the effective date to avoid incurring interest on new charges in the billing period in which the change takes effect.

**Should I make any changes to my AutoPay setting if my feature is set to inactive?**

If your Pay Over Time setting is set to inactive prior to the effective date listed above and your AutoPay setting is currently set to Minimum Payment Due, your AutoPay setting will remain Minimum Payment Due on the effective date and interest will be charged on your remaining Pay Over Time balance, as well as on new eligible charges. Consider updating your AutoPay setting to Statement Balance or Adjusted Balance in advance of this upcoming change.

**What if I am enrolled in a payment program?**

If you are enrolled in a 12-month payment program:

- If your Pay Over Time setting is set to inactive prior to the effective date listed above, the changes above will apply to your Account upon the completion of your payment program.
- If your Pay Over Time setting is set to active prior to the effective date listed above, the changes will apply on the effective date listed above.

If you are enrolled in a 48-month or longer payment program:

- The changes will apply on the effective date listed above.

While Card Members enrolled in a payment program were previously able to deactivate the Pay Over Time setting by calling the number on the back of their Card, Card Members will no longer be able to make changes to their Pay Over Time setting as of the effective date listed above.

For any questions about which payment program you are in, please call the number on the back of your Card.

**What if I am currently suspended from Pay Over Time?**

If Pay Over Time is suspended on your Account, your Pay Over Time feature will be unsuspended and the changes listed above will apply. Please review Part 1 of your Card Member Agreement for information about your Pay Over Time Limit and the Annual Percentage Rate for this feature.

**What happens if I cancel my Account and then reinstate my Account?**

If you reinstate your Account after the effective date listed above, the above changes will be effective on the reinstated Account.

## Detail of Changes to Your Card Member Agreement

This notice amends your Agreement as described below. Any terms and conditions in the Agreement conflicting with these changes are completely replaced. Terms and conditions not changed by this notice continue to apply. If you have any questions, please call the number on the back of your Card.

**Effective February 1, 2027**, the Pay Over Time and Plan It subsections in the *About Account Features* section of Part 2 of your Agreement will be amended as follows:

**Pay Over Time:** If Pay Over Time is a feature of your Account, you may carry a balance with interest, up to your Pay Over Time Limit. If you have a Pay Over Time balance, you can choose each month to pay your Account Total New Balance in full, the Minimum Payment Due, or any amount in between. Charges will be added to your Pay Over Time balance as described below.

On the Transaction Date:

Eligible charges will be automatically added to your Pay Over Time balance on the transaction date provided by the merchant, or on the date when an eligible Annual Fee is charged to your account, up to your Pay Over Time Limit. If the addition of an entire charge to your Pay Over Time balance would cause the total of your Pay Over Time, Cash Advance, and Plan balances to exceed your Pay Over Time Limit, that charge will be added to your Pay In Full balance. The transaction date provided by the merchant may differ from the date you made the purchase if, for example, there is a delay in the merchant submitting the transaction to us or if the merchant uses the shipping date as the transaction date. Charges with the same transaction date will be added to your Pay Over Time balance in any order we choose.

On your Closing Date:

Also, if on your Closing Date, 1) the total of your Pay Over Time, Cash Advance, and Plan balances is less than your Pay Over Time Limit, and 2) there are eligible new charges in your Pay In Full balance, you authorize us to automatically move all or a portion of those charges to your Pay Over Time balance, subject to your Pay Over Time Limit. If the addition of a charge to your Pay Over Time balance would cause the total of your Pay Over Time, Cash Advance, and Plan balances to exceed your Pay Over Time Limit, we will move a portion of that charge to your Pay Over Time balance, up to your Pay Over Time Limit. The remaining portion of the charge will remain in your Pay In Full balance. Eligible charges will be moved to your Pay Over Time balance in order of the transaction dates. Charges with the same transaction date will be added to your Pay Over Time balance in any order we choose. A new charge, or a portion of a new charge, will not be eligible to be moved to your Pay Over Time balance on your Closing Date if:

- that charge is subject to a Foreign Transaction Fee;
- that charge or a portion of that charge is disputed (for a reason other than fraud) and that dispute is not resolved in the same billing period in which it was opened;
- that charge or a portion of that charge is reported as fraudulent and either (i) we determined the charge is fraudulent in the same billing period in which it was posted to your Account, or (ii) we have not yet determined if the charge is fraudulent in the same billing period in which it was posted to your Account;
- you created a plan for that charge using Plan It;
- your Account is cancelled or enrolled in a payment program.

Certain charges are not eligible for Pay Over Time, such as cash advances, and we may change the eligibility of other charges for Pay Over Time.

**Plan It:** We may offer you Plan It, which allows you to create a payment plan for qualifying purchases subject to a plan fee. This fee is a fixed finance charge that will be charged each month that a plan is active.

You may use this feature by selecting qualifying purchases and a plan duration. You will be able to view the monthly plan payments, including the plan fee, for your selection. Each plan fee will be disclosed before you create the applicable plan. If you create a plan for a purchase in your Pay Over Time balance, the purchase will be added to a plan balance and will be subject to a plan fee based on the APR that would otherwise apply to the purchase amount. If you create a plan for a purchase that is in your Pay In Full balance, the purchase will be added to a plan balance and will be subject to a plan fee based on the APR that applies to the Pay Over Time feature at the time you create the plan. If you create a plan for a purchase that is divided between your Pay Over Time and Pay In Full balances, because only a portion of that purchase was moved to your Pay Over Time balance on your Closing Date, the purchase will be added to a plan balance and will be subject to a plan fee based on either the APR that would otherwise apply (to the portion of the purchase that was in your Pay Over Time balance) or the APR that applies to the Pay Over Time feature at the time you create the plan, whichever is lower.

A *qualifying purchase* for Plan It is a purchase of at least a specified dollar amount. Qualifying purchases do not include purchases of cash or cash equivalents, purchases subject to Foreign Transaction Fees, or any fee owed to us, such as Annual Fees.

Your ability to create plans will be based on a variety of factors such as your creditworthiness and your Pay Over Time Limit. You may not be able to create a plan if it would cause you to exceed your Pay Over Time Limit. You will not be able to create plans if your Account is cancelled. You will also not be able to create plans if one or more of your American Express Accounts is enrolled in a payment program, has a payment that is returned unpaid, or is past due. We will tell you the number of active plans you may have, and we may change this number at any time. The plan durations offered to you, and your ability to include multiple qualifying purchases in a single plan, will be at our discretion and will be based on a variety of factors such as your creditworthiness, the purchase amount(s), and your Account history.

Plans cannot be cancelled after they have been created, but you can choose to pay them early by paying the Account Total New Balance shown on your most recent billing statement in full. If you pay a plan off early, you will not incur any future plan fees on that plan.

# Important Information

**Payments**

Your payment must be sent to the payment address provided on your statement and must be received by 5 p.m. local time at that address to be credited as of the day it is received. Payments we receive after 5 p.m. will not be credited to your Account until the next day.

Payments must also:

- include the remittance coupon from your statement,
- be made with a single check drawn on a US bank and payable in US dollars, or with a negotiable instrument payable in US dollars and clearable through the US banking system, and
- include your Account number.

If your payment does not meet all of the above requirements, crediting may be delayed and you may incur late payment fees and additional interest charges. Electronic payments must be made through an electronic payment method payable in US dollars and clearable through the US banking system. Please do not send post-dated checks as they will be deposited upon receipt. Any restrictive language on a payment we accept will have no effect on us without our express prior written approval. We will re-present to your financial institution any payment that is returned unpaid.

**Permission for Electronic Withdrawal**

- When you send a check for payment, you give us permission to electronically withdraw your payment from your deposit or other asset account. We will process checks electronically by transmitting the amount of the check, routing number, account number and check serial number to your financial institution, unless the check is not processable electronically or a less costly process is available. When we process your check electronically, your payment may be withdrawn from your deposit or other asset account as soon as the same day we receive your check, and you will not receive that cancelled check with your financial account statement. If we cannot collect the funds electronically we may issue a draft against your deposit or other asset account for the amount of the check.
- By using Pay By Computer, Pay By Phone or any other electronic payment service of ours, you give us permission to electronically withdraw funds from the deposit or other asset account you specify in the amount you request. Payments using such services of ours received after 8:00 p.m. MST may not be credited until the next day.

**How We Calculate Your Balance**

We use the Average Daily Balance *(ADB)* method (including new transactions) to calculate the balance on which we charge interest for Pay Over Time and/or Cash Advance balances on your Account. Call the Customer Care number listed in the Contact Us Section for more information about this balance computation method and how resulting interest charges are determined. The method we use to figure the ADB and interest results in daily compounding of interest.

**Paying Interest**

Your due date is at least 25 days after the close of each billing period. If you have Pay Over Time, we will not charge you interest on charges automatically added to a Pay Over Time balance if each month you pay your Account Total New Balance on your billing statement (or, if you have a Plan balance, your Adjusted Balance on your billing statement) by the due date. If you have Cash Advance on your Account, we will begin charging interest on cash advances on the transaction date. If you have Pay Over Time Select: we will begin charging interest on purchases added to a Pay Over Time Select balance at your request on the date that they are added to your Pay Over Time Select balance.

**Foreign Currency Charges**

If you make a Charge in a foreign currency, we will convert it into US dollars on the date we or our agents process it. We will choose a conversion rate that is acceptable to us for that date, unless a particular rate is required by law. The conversion rate we use is no more than the highest official rate published by a government agency or the highest interbank rate we identify from customary banking sources on the conversion date or the prior business day. This rate may differ from rates in effect on the date of your charge. Charges converted by establishments will be billed at the rates such establishments use.

**Credit Balance**

A credit balance reflected on this statement represents money owed to you. If within the six-month period following the date of the first statement indicating the credit balance you do not request a refund or charge enough to use up the credit balance, we will send you a check for the credit balance within 30 days if the amount is $1.00 or more.

**Credit Reporting**

We may report information about your Account to credit bureaus. Late payments, missed payments, or other defaults on your Account may be reflected in your credit report.

**What To Do If You Think You Find A Mistake On Your Statement**

If you think there is an error on your statement, write to us at: American Express, P.O. Box 981535, El Paso TX 79998-1535. You may also contact us on the Web: www.americanexpress.com.

In your letter, give us the following information:

- **Account information:** Your name and account number.
- **Dollar amount:** The dollar amount of the suspected error.
- **Description of Problem:** If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

You must contact us within 60 days after the error appeared on your statement.

You must notify us of any potential errors in writing [or electronically]. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

**Your Rights If You Are Dissatisfied With Your Credit Card Purchases**

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase. To use this right, all of the following must be true:

- The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than $50. (Note: Neither of these is necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
- You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
- You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing or electronically at:
American Express, P.O. Box 981535, El Paso TX 79998-1535
www.americanexpress.com
While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay we may report you as delinquent.
